TO: Financial Aid Administrators

FROM: Catalina G. Mistler   
Chief, Program Administration & Services Division

SUBJECT: **Senate Bill 70 – Data Reporting Requirements**

California Education Code (CEC) section 69433.2 requires Cal Grant participating institutions to annually report to the California Student Aid Commission (Commission) the following data for their undergraduate programs:

- a) Enrollment, persistence, and graduation data for all students, including aggregate information on Cal Grant recipients.
- b) The job placement rate and salary/wage information for students in programs that are either designed or advertised to lead to a particular type of job, or advertised or promoted with any claim regarding job placement.

The regulations implementing this section of the law establish a reporting deadline of December 31; however, as allowed by the regulations, the Commission has granted a 90-day extension to all institutions. The new reporting deadline is **March 31, 2015**.

The Commission is in the process of finalizing an amendment to the Institutional Participation Agreement (IPA) and will provide additional information in an upcoming communication. If your campus is prepared to submit enrollment persistence and graduation data for the 2013-14 academic year, you may do so beginning today December 16, 2014.
